The NJ Renaissance Festival Players produce New Jersey's largest cultural and educational events. Over the past two decades we have entertained thousands of people with original comedies, dramas, educational programs, realistic historical combat, and traditional folk songs and dances.

We are a non-profit organization that donates a portion of our proceeds each year to worthy charities, both locally and nationally. Throughout the years, we have donated over \$150,000.

The actors, artists, and volunteers who donate their time and skills to make these events possible ask that you help our cause (in a mutually beneficial way) by purchasing advertisement space in our program.

This year we will be performing Weekends, June 20th through June 28th at the Red Mill Museum Village in historic Clinton, NJ. We are expecting 7,000 visitors, ranging in age from 5 to 75. Feel free to review our website for more details and information regarding our yearly events (www.njkingdom.com).

Your generosity and support are truly appreciated!
